President's Message

Hello Neighbors,
Happy New Year! We are blessed to see another year. Each year brings some weather event, and 2022 was no exception. With climate change, such extreme weather is ex-

pected. The answer to the weather events is preparation. In less than six months, hurricane season will begin. Be sure to watch the news programs for hurricane preparation

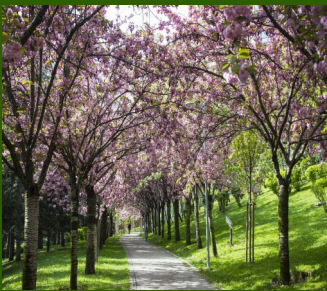

guides and other information. Visit City of Houston and Harris County websites for information.

*Until next month,
Linda*

“Cheers to a new year and another chance for us to get it right.”
