Heavy Trash Violations

Last month, over 20 residents placed their tree waste at the curb **after** January 23. The collection day was January 23. Therefore, the tree waste was out in February, which is junk waste month. Our neighborhood looked trashy.

To correct this problem, please read the newsletter, check our website, or download the Solid Waste Department’s app by going to the Apple Store or Google Play. The app gives you collection dates on regular trash collection (the black container), recycling (green container), heavy trash (tree waste or junk waste), or yard waste (in biodegradable bags). As a reminder, March is tree waste month. Tree waste will be collected on **March 27**. You can place your trash at the curb on the Friday before the collection day.

Check the collection date before you place junk or tree waste at the curb because you can be fined \$50.00 to \$2,000 for violating the ordinance. The City of Houston will be enforcing violations for early placement.

President’s Message

Hello Neighbors,

During the month of March, the Civic Club will be collecting membership dues. There will be personal visits from us. As you know, we will be dependent on dues since we

will not have our annual fish fry. Dues are still \$60.00 per year. There has not been an increase for over 10 years. It is small price to pay to help maintain the value of our homes.

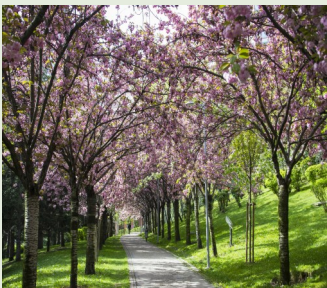

Visit the Harris County Appraisal District (HCAD) to view the five-year appraisal value of your home.

Until next month,

Linda

“The greatness of a community is most accurately measured by the compassionate actions of its members.”
—Coretta Scott King
