Farewell

Keswick Place/Ramblewood Residents,

This newsletter will be my last newsletter. As you know, I am no longer the president of the civic club. I agreed to author the newsletter until the end of this year. That time has arrived. I have enjoyed writing the newsletter and keeping you informed. My philosophy has been an informed individual is a powerful individual. I hope that I have served you well.

My role now is to support Ms. Leonard, president, and be an advisor to her. She will be writing the newsletter for January 2024. Give her your support.

Signing off,

Linda

President's Message

Greetings my fellow neighbors,

It is December already. By the time you receive this newsletter, I hope you had an opportunity to vote in general and run-off elections. As you are aware, seasonal holidays are near. I hope that you're able to look forward with cheer and special hope for the season and the new year.

Here is an important milestone to acknowledge and appreciate: 50 years ago in December 1973, the Keswick Place-Ramblewood Park Civic Club was incorporated. A responsible group of people established an organization to maintain and improve their neighborhoods. Our hats are off to those charter members (some who still live in the subdivision). We plan to have an official acknowledgement of this milestone in the future.

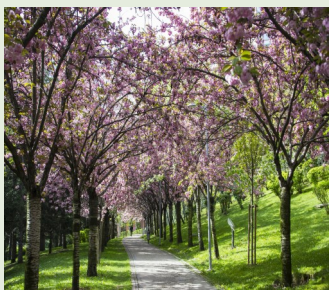

There will not be Civic Club meeting this month. Mark your calendars for an in-person meeting January 9, 2024, at 7:00 P.M., at H.P.D. Southwest Substation, 13097 Nilita.
