Elections & Voting 101: Plan to Vote & Vote Early

Early voting starts February 20th - March 1, 2024

Primary voting: March 5, 2024.

Voting early is convenient and it reduces long lines on election day. Check your eligibility to vote. You are required to be eligible already to vote in the upcoming Primary. You can vote in a voting center near where you live or at any polling location. You can also vote by mail if you are eligible to do so. The deadline to apply for an absentee ballot is February 23, 2024.

You can find polling locations and hours, view sample ballots, check ID requirements at [Harrisvotes.com](https://www.harrisvotes.com) or on the 311 City of Houston app. You can find additional voter information on the Civic Club website.

President's Message

Greetings Fellow Neighbors,

Thank you for what you do to guard the appearance of our neighborhood. We realize that sometimes there are trash and recycling delays beyond our control. Some of our bins are staying out longer and longer even when rescheduling notices have been issued. We are asking you to make sure that your bins are on the right of way between the sidewalk and the street. Not in the street. Maybe even choosing new ways to be aware of rescheduling such as checking with your neighbor(s) and even becoming familiar with the new City of Houston 311 app where you can confirm the regular pickup schedule and even check for updates. Thank you for your consideration and cooperation.

Pres. Shirley L.

February marks Black History Month. Black History is American History. We honor the sacrifices and contributions that African Americans have made to this country.
