President’s Message

Greetings Fellow Neighbors,

I repeat part of last month’s opening message: Thank you for what you do to guard the appearance of our neighborhood. Furthermore, it is that time of year again where the grass is growing at top speed and wild weeds are waking up after a long winter nap. This can make it difficult to maintain our yards on a regular basis. Yet ,I am encouraging us all to work individually and together to maintain that certain manicured look that represents our community. This not only means that we must give special attention to grass and weeds maintenance but keep our yards and surroundings clear of junk, trash, and yard debris. Thank you for your consideration and cooperation.

Pres. Shirley L.
