President's Message

Greetings to all. I hope that you are doing well during these hot summer days. Some of us recently attended several community meetings sponsored by our City/County leaders. Two of special mention included City Council Willie Davis and Harris County Constable James "Smokie" Phillips (Precinct 7). Both individuals brought along City officials who serve our daily citizenship needs. They provided relevant information through dialogue, listening to our concerns and there were opportunities to ask questions. I encourage you to pay particular attention to announcements regarding such opportunities inviting you to attend. I encourage you to make time and make these gatherings an attendance priority. It is up to us to preserve and enhance the safety and quality of our neighborhood.
