President's Message

Greetings to all. I hope that you are doing well as you prepare for the Fall. A little "Did You Know" Trivia for today. Did you know there is a very useful App for your mobile phone or devices to help you keep up with trash collection, waste and tree waste and recycling dates, delays, and Holiday schedules? Please have a new experience and get this App for your device to help us all keep our neighborhood presentable and show team work of our community working together-free of trash. Some of you are even calling 311 or the Civic Club at 713-730-9899 inquiring on the schedule when you need clarification. We truly enjoy taking the time to discuss this with you and even hear your concerns or feedback related to these issues. The App is **HTX Collects**(compatible for both Android and Apple mobile phones).
