By now, we hope that everyone participated in the March 3, 2026 Primary election -the contest where voters decided who will represent each Party in the General election on November 3, 2026.

We encourage you to make it a 2026 goal to understand the voting processes and resources better each year.

I challenge each of us to be able to state each year on how we have grown in voting knowledge!!!

Civic Club Meetings and other Topics. Please note that we will have our meeting this month at the HPD Substation.

President's Message

Greetings. Please note that there has not been an official change in our recycle pick up day. It remains every other Friday. The pickup reminder is on the opposite side of this Newsletter monthly. I am not sure what is occurring on Tidewater regarding the recycle pickup. Seems that at least one half of the recycle bins are not being serviced. Your feedback is welcomed so that proper follow up can occur for the consistent trash cans not emptied on Tidewater during the pickup schedule.
